

CODE HASTEN

Introduction:

Are you and your buddies from that crew keen on programming and eager to enhance your understanding of it? Well look no further! **Wissenaire, IIT Bhubaneswar** is organizing **Code Hasten**, a programming contest where you can team up with your friends and collectively improve your skills.

Contest details:

- The team size can range from 1 to 3 members.
- This event will have two rounds; an online round and an offline round.
- The online contest, which will last for two hours is scheduled to take place on our partner platform, HackerRank.
- Teams that qualify in the round will be invited to IIT Bhubaneswar for a three hour offline round.
- In case of any disputes the final decision will be made by the organizing committee, considered binding.

NOTE:

Register on Unstop using the HackerRank ID of the team lead and then register on HackerRank using the link:

<https://www.hackerrank.com/code-hasten> with the same HackerRank ID of the team lead.
